MMUA is pleased to partner with American Public Power Association to sponsor our Generation School along with our host facilities in Fairmont and Madelia. The information provided includes an outline of training for operators of your utility's generation plant. You will find training for well seasoned operators or for those just starting in the generation field.

Please take time to review all of the information provided. It contains everything you need to register with MMUA and arrange for hotel accommodations.

Please share this with anyone who may be interested in attending this workshop.
