MMUA’s Legislative Conference is our primary opportunity to inform and influence state lawmakers. This year we are once again at the DoubleTree by Hilton in downtown St. Paul.

The 2020 conference convenes with a welcome and overview from Governor Walz or a member of the administration on the new Sub-Cabinet on Climate. Then MMUA’s lobbying team will summarize the legislative session to date and provide a briefing on the issues. After lunch, members will visit with their legislators at the Capitol. Day one wraps-up with a legislative reception at our host hotel.

Day two features a half-day of presentations on issues ranging from clean water to MISO’s study on the increased use of renewables.

Please take time to review the information provided. It contains everything you need to register with MMUA and book your accommodations at the DoubleTree.
