

THE INSTRUCTOR

Dana Haagen spent over a decade in the software industry serving in individual contributor and leadership roles from Product Development to Product Management/Strategy to Human Resources. As a college professor at M State, she teaches students ranging in age from Gen Z to baby boomer in the areas of Human Resources and Accounting.

She also develops and delivers customized leadership, team and personal development sessions for organizations across various industries. As a Gallup Certified Strengths Coach, Dana has coached over a thousand individuals and team in discovering and harnessing the power of their individual and collective strengths to achieve success—both personally and professionally.

She earned an Accounting degree from Minnesota State University Moorhead and is a CPA, as well as Certified Professional in Human Resources.
