

MMUA Services and Programs During the COVID-19 Emergency

May 28, 2020

MMUA Office

The MMUA office is now open with limited staffing under the terms of the COVID-19 business plan approved by the board of directors. Our staff continue to monitor and respond to legislative and regulatory activity at both the state and federal levels.

Information Sharing

We have both publicly facing and confidential sections on the MMUA website for providing COVID-19 informational materials. MMUA staff are happy to respond to requests for information and assistance in dealing with this unprecedented situation.

Travel

MMUA staff travel outside of Minnesota and nonessential in-state travel are suspended until further notice. Field staff visits to member communities have now resumed.

Meetings and Workshops

- The PCB Workshop (March 17-18) has been cancelled.
- The Legislative Conference (March 31-April 1) has been cancelled.
- The Generation School (April 21-23) has been rescheduled to July 14-16.
- The Substation School (March 24-26) has been rescheduled for August 4-6.
- Leadership Academy Session 2 has tentatively been rescheduled for August 5-6.
- The Underground School (May 12-15) has been rescheduled to October 6-9.
- The Cross Training School is scheduled for October 6-8.
