## **Gas Circuit Rider Newsletter**

**March 2020**

### **Annual Reports**

Your 2019 federal Pipeline and Hazardous Materials Safety Administration Annual Report should be completed, due March 15, 2020. Please forward a copy of your 2019 Annual Report to Robin Klug [rklug@mmua.org](mailto:rklug@mmua.org). The report gives me insight into your distribution system. It also provides reference for O and M Manual Updates and required OQ tasks. Also, please update your DIMP plan with your completed Annual Report. If you need help with this, please contact me.

### **2020 Inspections**

Inspection dates have been determined for all operators. If you have not been advised of your inspection dates, please contact me.

### **Operator Qualification**

Please review your Operator Qualifications (OQ). Use eConfirm or EnergyU to check for expiring qualifications. If you need a reset on a course(s), please contact me and I will reset as soon as possible. When requesting a reset, I will need first and last name and the City and/or Utility name. These programs were recently updated. User guides are available when you sign on and will help you navigate the updated programs.

### **MNOPS Spring Conference April 14-16 at Cragun's Resort Canceled**

The Spring Conference has been canceled due to COVID-19.

Please note: All visits by MMUA employees have been suspended through April 3, 2020, and possibly longer.

For those of you with upcoming Inspections, I will be contacting you and we will get done what we can by phone, email, etc. MNOPS Inspectors have also been directed to limit contact and follow recommended Health Directives.

MMUA has information and materials related to COVID-19. If you need additional information, please ask.

### **Work Safe!**

### **Follow the COVID-19 Health Directives!**
